Re: Alteration of Terrain Permit Application  
NHDES File Number: 230213-034  
Project Name: 307 Electric Transmission Line Maintenance Project

Dear Alteration of Terrain Bureau,

The Oyster River Local Advisory Committee (OR LAC) is pleased to comment on a Alteration of Terrain Permit Application by Vanasse Hangen Brustlin on behalf of Eversource.

We found the plans had no or minimal impacts within the Oyster River corridor. We have no objections or concerns to the project as presented.

Please feel free to contact me if you have any further questions.  
OR LAC, c/o Eric Fiegenbaum, 6 Moharimet Dr., Madbury, NH 03823. (603) 750-7519

Respectfully,

Eric Fiegenbaum  
OR LAC, Chair
