

PROPOSED NH RT#145 OHRV USE IN COLEBROOK

21'-5" - (2 x 8=16') = 5'-6" of extra space left on the "Trodd" surface.

Please note the space between the road and guard rails is about 3'-0" on each side with ruts on the right and a steep incline on the left.

Please note the dips and rolls in the road obstructing on coming traffic.
