

April 29<sup>th</sup>, 2021 91-A to DNCR:

"...all documents in possession of DNCR/BOT responsive to the requirement that the Androscoggin Valley ATV Club, in consultation with the State, shall monitor trail use at Jericho State Park and ensure that ecological conditions of the trails are not substantially diminished by OHRV use.

Also a 91-A for all documents in the possession of DNCR/BOT responsive to trail closures or potential trail closures, including discussions with landowners, from 2016-2021. This would include the BOT Facebook page."
