Hi Phil,

The OHRV crossing at Hugh's rd. is not going to be needed. Mr. Mullins has decided to not allow OHRV's on his property anymore. We have a location just a little further north of that on Rt.145 that I would like you to look at. I would like to look at it with you to make sure that it will meet DoT requirements before I fill out a crossing application. I am available Wednesday, Thursday and Friday.

The Colebrook ATV club did speak with the Town of Colebrook about DoT's concern with the access off of Hugh's Rd. and Rt.145. So when you would like to discuss this with them they are aware.

Thanks

Clint
