Commissioner

Here is the MOA that the Colebrook landowners, Town of Colebrook and Metallak ATV Club have signed. This is outlining the plan for the new trail in Colebrook that would ultimately lead to closing several roads in town for OHRV use and diverting all use onto woods trails.

Thanks,

Chris

Hi Chris,

I have attached the MOU that has been signed by all parties. Will you be in the area at all soon so you can stop to sign it or should I mail it to you?

Please let me know.

We met with Craig and the local paper this weekend so an article will be published on the trail for all inquiring minds.

Thank you.
