Hi Sarah,

I hope you are well, and that you had a good trip to Iceland!

I'm not sure where conversations are in terms of addressing OHRV issues at the moment, but I wanted to pass along recent (last seven months or so) letters coming in from the North Country. This is the first batch. There are a couple more that I read in the Sentinel, and haven't been able to copy. To be fair, there was one letter in response to mine from Harry Brown, also in the Sentinel. Concern is clearly strong, and growing, and I wanted to pass this along as an update.

Thank you again for engaging on this topic.

Best,  
John Petrofsky
