I can pop over on Tuesday morning. I have a meeting in Colebrook tomorrow night with the President of the local OHRV club and the chamber of commerce about signage and other items and plan to bring up the issue of Bear Rock Road and some other items about town road use. So, hope to have some more information by Tuesday.

I will be out of the office most of Friday.
Just email me anything you want me to specifically relay to John. Or- anything you want me to be careful about so that I don't over commit/promise anything.
Also- I will be here Monday/Tuesday before the call so if you want to try to pop over to chat that works too.

He wants some quick action. I am around most of the day Friday (just a meeting at AG's office from 1-2) if that works for you. The Coos Chiefs met yesterday and could not put me on their agenda. They were already meeting with the AG's Office, County Delegation and others about the opioid epidemic. They said I could have the floor for their October meeting

Hi Chris- Just want to let you know that John Petrofsky is calling me on Tuesday at 11am to follow up on the meeting with Councilor Kenney.
Let's touch base before that call as I am curious how your meeting with the Coos Chiefs went and to better understand the potential option to re-route atvs away from the Petrofsky's home.
