Good morning Don

This appears to be in your trail system. Rogue riders are certainly keeping us busy these days! Could you please let me know how you make out after you follow up on this?

regards,  
Ev

**How may we help you?**

I am a homeowner adjacent to trail 150 where it crosses Hall Rd in Bristol across 2 pvt fields and travels to Newfound Lake. 2 weekends in a row someone has left the trail here and raced around the fields - repeatedly- to our property line. We were gone shopping or would have done something. A second angry neighbor stopped by and asked if we had seen them. Better signage trail delineation, or presence needs to be looked into. Thank you.
