Hi Richard,

I have an excel spreadsheet that is used to track permit applications. It just hasn't been updated in a while since Sabrina is no longer here... I will have to update it and I will print a pdf for the file.

Thanks again

Phil

Hi Phil, Rich,

We have rec'd a new RTK for ATV Crossing Permits (see below).

I asked Ms. Pastoriza if she could narrow this to a town or a district and she did (Dist 1), but she also asked for any permits in Henniker. I know we don't have a "list" of permits and we aren't required to build one so I think she will be happy with the applications and the letters approving or denying them.

I have created a folder for a copy of the files – please put them into town folders (I created a few) and let me know when you have finished.

S:\Litigation-RTK\Right To Know\2020-9-8 #4419 - ATV Crossing Permits

Please charge WCC 907-A for time spent on this effort.

Let me know if you have any questions.

Thanks,

Richard

Dear Richard,

I am submitting a 91-A for all documents in possession of DOT responsive to ATV trail road crossings.

I'm looking for a list of road crossings DOT has permitted for ATVs that are still open, crossing requests that were denied, and crossings that were permitted within the last five years but are now closed.

Thanks,

Kris
