PERMIT NO. 02-WH-0269-020
TOWN Warren
ROUTE NH 25
DATE 07/22/2020

WHEELED OHRV CROSSING PERMIT

Permission to construct and maintain a trail crossing for Wheeled Off Highway Recreational Vehicles on NH 25 in Warren pursuant to the location and specifications as described below, is hereby granted. Failure to adhere to all the provisions set forth below and failure to complete construction and perform adequate maintenance of said facility shall render this instrument null and void. This permit will be revoked if the property owner adjacent to the highway on whose land the trail extends withdraws permission. Facilities constructed in violation of these conditions shall be corrected immediately upon notification by a Department representative or the cost of removing said facility shall be fully born by the permittee.

LOCATION: 2,930' north of East Side Drive

- 1. The traveled portion of the trail within the right-of-way shall be 15 feet wide.
2. The trail shall be graded in accordance with the policy.
3. A minimum 20 foot paved apron shall be maintained on both sides of the highway at the crossing location.
4. Trail signs reading "STOP" shall be installed and maintained on the trail at or near the highway shoulder, and a sign warning of a highway crossing ahead shall be installed on the trail at least 100 feet back from the highway.
5. No structures, including walls, culvert headers, buildings, permanent or portable signs, lights, displays, etc. shall be permitted on, over or under the highway.
6. The operating club shall ensure that a minimum of 400' sight distance is maintained at all times, by removing bushes, trees, etc. that may obstruct sight distance.
7. No motor vehicles, trailers or any catering or servicing equipment of any kind shall be parked within the highway right-of-way.
8. No part of the highway right-of-way may be used by OHRV's for any purpose other than direct crossing.
9. The highway right-of-way is 50 feet on the east side and 100 feet on the west side of the highway centerline.
10. This permit is being issued in accordance with RSA 236:56.

Table with 2 columns: Field Name and Value. Fields include Posted highway speed limit (40 MPH), Minimum Sight Distance (400 feet +), GPS Coordinate (N: 43.90381 W: -71.89177), Type of access (Controlled), Adjacent property owner's approval (Yes), and Highway signing required (No).
