Re: LWCF Project #33-00683

Dear Mr. Howard:

Per the L&WCF Grants Manual Chapter 7.G.c this is to report that project number 33-00683, the Jericho Mountain State Park Phase II project, has been completed in accordance with the approved project agreement. I have enclosed a Final On-Site Inspection Form and pictures with this letter.

With these LWCF grant funds Jericho Mountain State Park has added amenities to ensure this very popular park in northern New Hampshire will enhance the visitors' experience. Without the funds provided this park would have not been able to develop into a destination park for all, from throughout the country.

The final drawdown will be processed after the administrative close out of this project.

If you have any questions or need any more information please contact me at the above address or by email at [gwolek@dred.state.nh.us](mailto:gwolek@dred.state.nh.us).

Sincerely,

  
Gail A. Wolek  
Deputy Director, ASLO
