To Whom it May Concern:

I wish to thank you for the opportunity to voice an opinion about the Cog Railway LSP proposal.

I am NOT in favor of this.

If we look to the National Parks we can envision what will become of this majestic mountain side:

Overcrowding

Inappropriate human behavior around wildlife

Trampling of fragile flora and fauna

Disruption to birds and small mammals

Soil erosion

Potential for increased mountain rescues as overnights make poor / alcohol related decisions

Human trash spewn down the mountainside

Sincerely,

Marie Kapsar
