LEGEND

- Existing Structure
- Proposed Structure Location
- Proposed City Anchors
- Overhead Entrance Line
- Existing ROW Boundary
- Existing Access
- Proposed Access
- Off-ROW Access Permitting Rights
- Access to be Improved
- Alluvial Access
- Delineated Wetland Boundary
- Non-Delineated Wetland Boundary
- Delineated Potential Wetcourse Top of Bank
- Delineated Potential Wetcourse Corridor
- Delineated Epifaunal Wetcourse Corridor
- Top of Bank
- Field Delineated Wetland
- Open Water
- Delineated Wetland Pool
- 50' Wetland Buffer
- 100' Natural Wetland Buffer
- 200' Protected Shoreland Zone Buffer
- 50' Wetland Buffer
- 100' Natural Wetland Buffer
- 150' Natural Wetland Buffer Impact
- 200' Protected Shoreland Zone Impact
- 50' Wetland Buffer
- 100' Natural Wetland Buffer
- 150' Natural Wetland Buffer Impact
- 200' Protected Shoreland Zone Impact
- 10' Elevation Control
- 1' Elevation Control
- Approximate Top of Slope
- Ditch
- Powerline
- FEMA 100 Year Flood Zone
- Conservation Lands
- Parcel Boundary
- Eversource Owned Parcel
- Slope 15% or Greater
- Eminent Domain Control Bldgs
- Municipal Boundary
- Consent
- Gate
- 10' Elevation Control
- Approximate Top of Slope
- Ditch
- Powerline
- FEMA 100 Year Flood Zone
- Conservation Lands
- 50' Wetland Buffer
- 100' Natural Wetland Buffer
- 200' Protected Shoreland Zone Buffer
- 50' Wetland Buffer
- 100' Natural Wetland Buffer
- 150' Natural Wetland Buffer Impact
- 200' Protected Shoreland Zone Impact
- Work Pad Construction Area
- Temporary Construction Hoarding
- Temporary Erosion Control
- Archeology Site
- X=X=X Fence
- C=C=C Stenwell
- Erosion Control
- Gas Pipeline
