The grant of the Control of the Thanks for arttine back to us on this Brian So, Bolles Trail is closed to snowmobile use this winter and hikers can continue to use the bridges? There is no additional provision that can be made, this fall, to allow continued use of the trail by snowmobiles? —Grigar Mossage—

Jim has decided to port signs on the two bridges on the Bolics trail for foot traffic only based on their condition. We will work on getting these posted and we look forward to working with you on a long term solution to be implemented as soon as possible for relocations and bridge replacem Blies Johnson

Message Taxi Evite Arindann bedge on Michaelman photo on Morang brook rouz 244 We get the work done up on the bridges. This snow may not stay, but with it snowing out my office window, it reminded me that we would like to get an answer about the bridge we looked at last week for this winter. To: "Weeks, Michael" "Michael Weeks@dner.nh.gow/milito.Michael Weeks@dner.nh.gow/ EXTERNAL: Do not open attachments or click on links unless you recognize and trust the sender. I thought I sent this quote to you Friday afternoon, but there is nothing in your folder or 'sent', so here it is.

We do not have nearly enough 4x6-12' to cover this order. I can get about half by the end of the week.

Remainder probably a week after that. Same with GRK Serews. Thanks Bill-MBS ---- Original Message----From: Weeks, Michael [mailto Michael Weeks@dner.nh.nov] Sent: Friday, November 08, 2019 2:37 PM To: William ciliston Subject: North chatham bridges on Mcdonough beook road 244 Hello Bill, I will be needing a quote for forest service for 672 6' GRK/rss screws (the big 3/4" heads star drive)

asap. They will be paying for it on credit card (Brian Johnston) after which we would need all this next week

District 2 Supervisor State Of NH. Bureau Of Trails
